

Drive You Out of My Mind

Loretta Lynn

I know I shouldn't bother you cause you asked me not to call
But tonight I'm not responsible for what I do at all
You're drivin' me out of my mind is that what you want to do
Well do me a little favor and drive you out of my mind too
Drive you out of my mind erase the mem'ries of your touch
I don't believe I'm askin' for too much
You're drivin' me out of my mind and you know this is true
Well do me a little favor and drive you out of my mind too
Now don't tell me you don't have time cause the problems just c
an't wait
If I'll wait until tomorrow it just might be too late
You're drivin' me out of my mind by lovin' someone new
So do me a little favor and drive you out of my mind too
Drive you out of my mind...
