

I Don't Feel Like Living Today

Loretta Lynn

The morning sun is slippin' underneath my shaded window
Outside happy children start their play
My best friend rings the doorbell but I just couldn't answer
I don't feel like livin' today

I call the boss to tell him that I just couldn't make it
And sorry that I phoned in so late
But if I start feelin' better I'll try again tomorrow
I don't feel like livin' today

How can I face the world outside after losin' my last night
The man who loved me for so long said were through and now we've
gone away
I don't feel like livin' today

I turn on the TV to catch the Last of Dinah
But I see some old love stories took her place
And I'm just not enough to watchin' somebody else's heartbreak
I don't feel like livin' today

How can I face the world outside after losin' my last night
The man who loved me for so long said were through and now he's
gone away
I don't feel like livin' I don't feel like livin'
I don't feel like livin' today
