

## I Don't Wanna Play House

Loretta Lynn

Today I sat alone at the window  
and I watched our little girl outside at play  
With the little boy next door like so many times before  
But somethin' didn't seem quite right today

So I went outside to see what they were doing  
And then the teardrops made my eyes grow dim  
Cause I heard him name a game and I hung my head in shame  
When I heard our little girl say to him

I don't wanna play house I know it can't be fun  
I watched mommy and daddy and if that's the way it's done  
I don't wanna play house it makes my mommy cry  
Cause when she played house my daddy said goodbye

I don't wanna play house...
