

I Gave Everything

Loretta Lynn

It's too late but something tells me I was wrong
For doing the one thing that I did
Ah I'd prove I can I had let you have your way
And I gave everything that a girl in love should never give
When we made love it brought the meanings to my life
You taught me a brand new way to live
Ah now it's debtful if I'll ever be your wife
And I gave everything that a girl in love should never give
I gave you the part of me that no one else had touched
Because I loved you and you said you wanted me so much
Now you've changed and it's because of what I did
I gave everything that a girl in love should never give
You don't know the hurt you've put deep in the heart of me
You've got what you wanted now you want no part of me
Mhm now you've changed and it's because of what I did
I gave everything that a girl in love should never give
