

# I'm Dying for Someone to Live For

Loretta Lynn

Loneliness falls all around  
And it's almost got me down  
Well I guess when it rains it pours  
I'm dying for someone to live for

There's a whipporwill out on a limb  
But I know I'm more lonesome than him  
Now I don't know who he's crying for  
But I'm dying for someone to live for

And the weeping willow cries  
Every time a good love says goodbye  
I hear the tide coming in on the shore  
I'm dying for someone to live for

Well the love of my life is long gone  
And I don't know what I've done so wrong  
But I don't think I can take too much more  
I'm dying for someone to live for

And the weeping willow cries  
Every time a good love says goodbye  
I hear the tide coming in on the shore  
I'm dying for someone to live for  
Yes I'm dying for someone to live for
