I Never Will Marry

Loretta Lynn

I never will marry
I'll be no man's wife
I intend to stay single
For the rest of my life

One day as I wandered Down by the seashore The wind it did whistle And the waters did roar

I heard a poor maiden
Make a pitiful cry
She sounded so lonesome
At the waters nearby

No, I never will marry
I'll be no man's wife
I intend to stay single
For the rest of my life

My love's gone and left me He's the one I adore I never will see him No never no more

The shells in the ocean Will be my deathbed And the fish in the waters Swim over my head

She plunged her fair body In the waters so deep She closed her blue eyes In the waters to sleep

I never will marry
I'll be no man's wife
I intend to stay single
For the rest of my life
