## I Won't Forget You

## **Loretta Lynn**

I know that I won't forget you

For I've loved you too much for too long

Though you don't want me now I'll still love you

Till the breath in my body is gone

That's how it is with me and you'll always be
The only love I ever knew
I'll forget many things in my lifetime
But darling I won't forget you

That's how it is with me...
