It Just Looks That Way

Loretta Lynn

No I'm not crying it just looks that way

He thinks his leaving me will drive me mad Silly boy he's the smallest hurt I've had These ain't tears I'm standing in it rains today No I'm not crying it just looks that way

No I'm not crying it just looks that way
I've convinced my heart I'm happy and it believes everything I
say

No I'm not crying...
Oh but I'm not crying it just looks that way
