

## It's Such a Pretty World Today

Loretta Lynn

It's such a pretty world today I look at the sunshine  
And every day's the same since I met you  
It's such a pretty world today knowin' that you're mine  
And happiness is being close to you

And though the rain may fall my skies will all be blue  
If I look close enough the sun would come shinin' through  
It's such a pretty world today look at the sunshine  
Today and every day since I met you

Though the rain may fall...  
Today and every day since I met you
