

It's Too Late to Love Me Now

Loretta Lynn

It's too late say you want me ah but it's too late
Once my love for you was so great
It's too late to love me now

It's too bad say you need me ah but it's too bad
I know the feeling and it's so sad
But it's too late to love me now

Don't you know how hard I've tried to hold out just for you
Loving you from mem'ry day by day
Someone came into my life and turned my dreams around
He's shaken all the love you turned away

It's too late you say you want me ah but it's too late
Once my love for you was so great
But it's too late to love me now

Don't you know how hard I've tried to hold out just for you
Loving you from mem'ry day by day
Someone came into my life and turned my dreams around
He's shaken all the love you turned away

It's too bad you say you need me and it's too too bad
Cause I know the feeling and it's so so sad
But it's too late to love me now
Yeah it's too late to love me now
