

Jackson Ain't a Very Big Town

Loretta Lynn

Tonight at night we get married my friends all say it's a shame
and disgrace
And he's loved every woman in Jackson oh but Jackson ain't a ve
ry big place
Tomorrow we'll go walkin' I count each one with a tear on her f
ace
Then I'll know just how many think I'm lucky cause Jackson ain'
t a very big place
Jackson is a mighty small town where the gossips and the rumors
go round
But the gossips are the ones he turned down and Jackson ain't a
very big town

Jackson is a mighty small town...
