

Let Your Love Flow

Loretta Lynn

There's a reason for the sunshine sky
And there's a reason why I'm feelin' so high
Must be the season when that love light shines all around us

So let that feelin' grab you deep inside and send you reelin'
Where your love can't hide and you stealin'
Through the moonless nights with your lover

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show
And you'll know what I mean, it's the season

Just let your love fly like a bird on a wing
And let your love bind you to all living things
And let your love shine
And you'll know what I mean that's the reason

There's a reason for the warm summer nights
And there's a reason for the candle lights
Must be the season when the love light shines all around us

So let that wonder take you into space
And lay you under its loving embrace
To feel the thunder as it warms your face, you can't hold back

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show
And you'll know what I mean it's the season

Just let your love fly like a bird on a wing
And let your love bind you to all living things
And let your love shine
And you'll know what I mean that's the reason

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show
And you'll know what I mean it's the season

Just let your love fly like a bird on a wing
And let your love bind you to all living things
And let your love shine
And you'll know what I mean that's the reason

It's the season
