

Love Whatcha Got At Home

Loretta Lynn

Well you say you're a red hot papa and the lover over town
Don't you think it's just about time oh mama cooled you down
Get them courtin' clothes back off don't let it take you along
Cause tonight big boy you're gonna stay right here and love wha
tcha got at home
Love whatcha got at home I quit that messin' around
Well everybody calls you lover boy and you like the way it soun
ds
Your home chores're never done because you're always gone
Well tonight big boy you're gonna stay right here and love what
cha got at home

Well I watch TV till leauge goes on and then I count the sheep
I never know when you come home I cry myself to sleep
When you go out that door tonight consider yourself grown
Cause tonight big boy you're gonna stay right here and love wha
tcha got at home
Love whatcha got at home...
Well tonight big boy you're gonna stay right here and love what
cha got at home
