No One Will Ever Know

Loretta Lynn

No one will ever know my heart is breaking Although a million teardrops start to flow I'll cry myself to sleep and wake up smiling I'll miss you but no one will ever know

I'll tell them we grown tired of each other And realize our dreams could never be
I'll even make believe I never loved you
Then no one will ever know the truth but me

No one will ever know how much I'm pining Each time the past comes back to haunt me so No one will ever see the tears I'm hiding You've hurt me but no one will ever know

I'll tell them I've found true love with another
That I was glad the day you set me free
I'll even make believe I never loved you
Then no one will ever know the truth but me
