Stand by Your Man

Loretta Lynn

Sometimes it's hard to be a woman giving all your love to just one man You'll have bad times and he'll have good times Doing things that you don't understand But if you love him you'll forgive him even though he's hard to understand And if you love him all be proud of him cause after all he's ju st a man Stand by your man give him two arms to cling to And something warm to come to when nights are cold and lonely Stand by your man and tell the world you love him Keep giving all the love you can stand by your man Stand by your man and show the world you love him
