

There Stands The Glass

Loretta Lynn

There stands the glass
Fill it up to the brim
Till my troubles grow dim
It's my first one today

There stands the glass
That will ease all my pain
That will settle my brain
Soon I'll be on my way

I wonder where you are tonight
I wonder if you are all right
I wonder if you think of me
In my misery

There stands the glass
That will hide all my tears
That will drown all my fears
Brother I'm on my way

I wonder if you think of me
In my misery

There stands the glass
Fill it up to the brim
Till my troubles grow dim
Brother I'm on my way

There stands the glass !
