

Today, I Started Loving You Again

Loretta Lynn

Today I started loving you again
I'm right back where I've really always been
I've got over you just long enough to let my heartaches mend
Today I started loving you again

What a fool I was to think I could get by
With only these few million tears I've cried
I should have known the worst was yet to come
And cryin' time for me had just begun

Today I started loving you again...
Yes today I started loving you again
