

Walking With My Memories

Loretta Lynn

At night I go out walkin' with my memories
And all we ever talk about is you
We smile when we remember days of you and me together
Tryin' not to think of you with someone new

Walkin' with my memories of you
Breakin' in a broken heart wearin' out my shoes
Out here in the wind talkin' to myself again
Walkin' with my memories of you

It's raining hard tonight on 2nd Avenue
I'm cold and wet but I can't go inside
Cause I gotta keep on walkin' until you've been forgotten
And I can leave my memories behind

Walkin' with my memories of you
Breakin' in a broken heart wearin' out my shoes
Out here in the wind talkin' to myself again
Walkin' with my memories of you
I keep walkin' with my memories of you
