

Who's Gonna Miss Me?

Loretta Lynn

Is there one troubled soul
These hands of mine could hold
Who's gonna miss me when I'm gone
Who's gonna wanna follow
In my footsteps maybe
Who's gonna miss me when I'm gone

Who's gonna miss me tell me
Who's gonna miss me Lordy
Who's gonna miss me when I'm gone

If I could do one good thing
Then it won't be all in vain
Who's gonna miss me when I'm gone
Don't wanna move an ocean
Just tryin' to do my portion
Who's gonna miss me when I'm gone

Who's gonna miss me tell me
Who's gonna miss me Lordy
Who's gonna miss me when I'm gone

If I've made someone smile
Or just one life worthwhile
Who's gonna miss me when I'm gone
If there's one thing I've done
I'd like to know I've left someone
Who's gonna miss me when I'm gone

Who's gonna miss me tell me
Who's gonna miss me Lordy
Who's gonna miss me when I'm gone

Who's gonna miss me tell me
Who's gonna miss me Lordy
Who's gonna miss me when I'm gone

Who's gonna miss me tell me
Who's gonna miss me Lordy
Who's gonna miss me when I'm gone
