

You Don't Have to Be a Baby to Cry

Loretta Lynn

You don't have to be a baby to cry
All you need is for love to go wrong
You don't have to be a baby to cry
Or to lie awake the whole night long

When you leave me my golden rainbow disappears
Then you leave me a broken heart that's full of tears
These ain't raindrops in my eyes why should I lie
You don't have to be a baby to cry

When you leave me...

A little bitty baby you don't have to be a baby to cry
