

# You're The Reason Our Kids Are Ugly

Loretta Lynn

You're the reason I'm ridin' round on recapped tyres  
And you're the reason I'm a hangin' our clothes outside on walls

You're the reason our kids are ugly little darling  
Ah but looks ain't everything and money ain't everything  
But I love you just the same

You're the reason I changed to beer from soda pop  
And you're the reason I never get to go to the beauty shop  
You're the reason our kids are ugly little darling  
Ah but looks ain't everything and money ain't everything  
But I love you just the same

I guess that we won't ever have everything we need  
Cause when we get ahead it's got another mouth to feed

And that's the reason my good looks and my figure's gone  
And that's the reason I ain't got no hair to comb  
And you're the reason our kids are ugly, little darling  
Ah but looks ain't everything and money ain't everything  
But I love you just the same

Conway why in the devil don't you gon'  
And shave an' put on a clean pair of pants  
Loretta look at yourself  
I wish you'd take them curlers out of your hair  
And go put on a little bit of make up  
And get out of the housecoat before supper  
Ha well let me tell you somethin' Conway  
Considerin' everything I went through today  
I look like a movie star  
Yeah Ruth Cassidy  
Thank you  
Besides that  
All of our kids took after your part of our family anyway  
Oh they did huh what about the one's that's bald  
Well I guess you might say they took after me
