

## Happy Drunk

Lori McKenna

No one has to tell me that you're a good man.  
He might be about as damn good as they come.  
No one has to tell me to be thankful for what I have.  
I'm as thankful as anyone.

I can live forever in this house,  
forever in your heart.  
I still shiver in your arms.  
I can live with everything but what you've become  
Justify the damage done,  
If you were a happy drunk...

That bottle always changes the way you look at me.  
So it's the only friend that you've got tonight.  
You're like a stranger half-skinned for sympathy.  
You don't mind taking it with a fight.

I can live forever in this house,  
forever in your heart.  
I still shiver in your arms.  
I can live with everything but what you've become  
justify the damage done  
if you were a happy drunk...

It's who you are, it's in your blood,  
Aint' nothin' gonna change that part of you  
The part that's so damn hard to love...

I still shiver in your arms.  
I can live with everything but what you've become  
Justify the damage  
If you were a happy drunk...
