

# I'm Not Crazy

Lori McKenna

Well, I can fall in love  
In the middle of the afternoon  
With the TV blarin?  
In the very next room

I fall in love again  
At the end of a ragin' fight  
The kind that keeps us  
Stayin? up all night

But, baby, I'm not crazy  
I just love the way you look at me  
Baby, I'm not crazy  
I just expect ecstasy

And I'm tryin' not to take  
Everything to the extreme  
I'm wide awake and you're still my dream  
Baby, I'm not crazy

Sometimes I hear a voice  
Telling me that you're the only one  
And I'd be nothin' but a fool  
If I let this all come undone

Every now and then  
I see the vision of a perfect man  
When you turn around  
And smile like you understand

But, baby, I'm not crazy  
I just love the way you look at me  
Baby, I'm not crazy  
I just expect ecstasy

And I'm tryin' not to take  
Everything to the extreme  
I'm wide awake and you're still my dream  
Baby, I'm not crazy

There's a dull sweetness in this life of ours  
Pretty as graffiti  
And I'm dancin' without any music on  
But you're the only one who sees me

Hey, baby, I'm not crazy  
I just love the way you look at me  
Baby, I'm not crazy  
I just expect ecstasy

And I'm tryin' not to take  
Everything to the extreme  
I'm wide awake and you're still my dream  
Baby, I'm not crazy, oh no  
Baby, I'm not crazy

I just love the way you look at me

I just love the way you look at me  
I just love the way you look at me  
I just love the way you look at me
