

Best Woman Wins (Lorrie Morgan With Dolly Parton)

Lorrie Morgan

Who do you think you are
What do you think this is
A game you can play tryin' to steal him away
Well I don't need a heartache like this

Well don't think I don't go through hell
But heaven is what we both want
He's easy to love but he's hard to give up
And if you think I will well you're wrong

The best woman wins I will fight 'til the end
I'll lay down and die if I must
I'll beg and I'll plead I will suffer and bleed
But he must make a choice between us

This soap opera play that we're in
Is just like you watch on t.v.
But I never thought that I'd ever get caught in it
Starring you him and me

In love as in war all is fair
So a fight to the finish begins
When you fight from desire you fight fire with fire
So may the best woman win

The best woman wins I will fight 'til the end
I'll lay down and die if I must
I'll beg and I'll plead I will suffer and bleed
But he must make a choice between us
So may the best woman win

May the best woman win
May the best woman win
I'll never give up or give in
So may the best woman win (best woman win)
The best woman win (best woman win)
The best woman win (best woman win)
I'll never give up or give in
So may the best woman win
May the best woman win
May the best woman win (best woman win)
I'll never give up or give in
So may the best woman win
