

Crying Time

Lorrie Morgan

Oh, it's crying time again
Your going to leave me
I can see that far away look in your eye
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Now they say that absence makes a heart grow fonder
(Fonder)
And the tears are only rain to make love grow
Well, my love for you could never grow no stronger
(Stronger)
If I live to be a hundred years old

Oh, it's crying time again
You're going to leave me
I can see that far away look in your eye
I can tell by the way you hold me, darling

That it won't be long before it's crying time

Now they say that you found someone who loved you better
That's the way it's happened every time before
And as sure as the sun comes up tomorrow
Crying time will start when you walk out the door

Oh, it's crying time again
Your going to leave me
I can see that far away look in your eye
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Yeah, it won't be long before it's crying time
