

# I'm Not That Easy To Forget

Lorrie Morgan

You think when you walk out that door  
You'll never think about me anymore  
So sure that you get it all figured out

You always forget my birthday  
You never could remember my dog's name  
And there's one more thing you forgot

I'm not that easy to forget  
Someday you'll wake up the regret  
You ever let me get away  
I'll be on your mind night and day  
I'm not the kind of girl you leave  
And simply walk away scot free  
You don't believe it yet  
But I'm not that easy to forget

I'm not gonna stand in your way  
I'll even help you pack your suitcase  
I wouldn't want to keep you from leaving town

But as sure as you're crossing that line  
One day I'll be crossing your mind  
It'll hit you hard when the truth comes down

I'm not that easy to forget  
Someday you'll wake up the regret  
You ever let me get away  
I'll be on your mind night and day  
I'm not the kind of girl you leave  
And simply walk away scot free  
You don't believe it yet  
But I'm not that easy to forget
