

# Someone To Call Me Darling

Lorrie Morgan

They call me a friend who will listen  
A friend who's kind hearted and true  
They never think about calling me lonely  
What would they say if they knew

I need someone to call me darlin'  
Someone to call me their own .  
Someone who loves me like no one else loves me  
Someone to call me darlin'

There's never been much I can't handle  
I've been called courageous and strong  
But I come home to a house that's empty  
And a dream that keeps me holding on

I need someone to call me darlin'  
Someone to call me their own  
Someone who loves me like no one else loves me  
Someone to call me darlin'

I need someone to call me darlin'
