

Tell Me I'm Only Dreaming

Lorrie Morgan

Softly I hear you talking
I see you walking right out the door
Faintly I hear you tell me
That you don't love me anymore

Surely I must be dreaming
A love like our love could never die
Tell me I'm only dreaming
Only dreaming you said goodbye

Tell me I'm only dreaming
Our love can't end like this
Tell me I'm only dreaming
Awake me with your kiss

Strangely the words you're saying
Are simply making no sense to me
Lately I gather somehow
You're asking me now to set you free

Our love could never break up
I'm gonna wake up in your arms
Tell me I'm only dreaming
Only dreaming that you're gone

Tell me I'm only dreaming
Our love can't end like this
Tell me I'm only dreaming
Awake me with your kiss

Tell me I'm only dreaming
Our love can't end like this
Tell me I'm only dreaming
Awake me with your kiss
