

## We Both Walk

Lorrie Morgan

Here you are on the porch again  
With your hat in your hand and a guilty grin  
Baby I ain't gonna fall for that just because I always have  
And I'm not the only one who won't be taken in

Don't you try to come through my door  
I can't watch you leave anymore  
When you go we both walk  
When you go we both walk  
You walk away and I walk alone

Whenever you get that itch to go  
You think I just sit and wait at home  
But I've walked miles behind these walls  
Without getting anywhere at all  
And I think I've had enough of going down that road

Don't you try to come through my door  
I can't watch you leave anymore  
When you go we both walk  
When you go we both walk  
You walk away and I walk alone

Don't you try to come through my door  
I can't watch you leave anymore  
When you go we both walk  
When you go we both walk  
You walk away and I walk alone  
You walk away and I walk alone
