## Amor

## Los Amigos Invisibles

What is love? It's in the blood, its just a way of life What is love? It's everything, its something you cant hide What is love? Is it the way you look into my eyes? What is love? The things you do that take me by surprise

Amor is to love you, amor is to care Amor is to people with something to share Amor for the Spanish, amor for the French Love in any language always means the same

What is love? Is it the joy of having you around? What is love? Is it the way you lift me when I'm down? What is love? Is it a dream no one cant do without? What is love? It's in the words that I'm singing out

Amor is to love you, amor is to care Amor is to people with something to share Amor for the Spanish, amor for the French Love in any language always means the same

What is love? La no Brasil se fala da curtir What is love? Dir en Francais ma petit cherie What is love? Es la emocin que despiertas en mi What is love? Around the world, they all know what it means

Amor is to love you, amor is to care Amor is to people with something to share Amor for the Spanish, amor for the French Love in any language always means the same
