

Bella Notte

Los Lobos

Oh, this is the night it's a beautiful night
And we call it bella notte
Look at the skies they have stars in their eyes
Side by side with your loved one
You'll find the enchantment here
The night will weave its magic spell
When the one you love is near

This is the night and the heavens are right
On this lovely bella notte

On this lovely bella notte

Side by side with your loved one
You'll find the enchantment here
The night will weave its magic spell
When the one you love is near

This is the night and the heavens are right
On this lovely bella notte
