Framed

Los Lobos

I was walkin down the street, mindin my own affair When two policemen grabbed me, unaware
He says 'Is your name Henry?' I says'Why sure'
He says 'You're the boy I've been lookin' for'

I was framed, framed, I was blamed, framed Well, I never knew nothin, but I always get framed Oh, framed

They took him in the line up and let those bright lights shine

There was ten poor souls like me in that line I knew I was a victim of someones evil plan When a stool pidgeon walked in and says' That's your man'

I was framed, framed, I was blamed oh, framed, framed Well, I never knew nothin but I always get framed

Well, the prosecutor turned and started a prosecutin' me Man, that cat didn't give me the one, but the third degree He says'Where were you on the night of July 1953?'
'Man I was just home just a tweedle-a-dee'

I was framed oh framed, I was blamed oh, framed, framed well, I never knew nothin, but I always get framed Oh framed, oh framed......
