Grim Grinning Ghosts

Los Lobos

The crypt doors creak
And the tombstones quake
Spooks come out for a swinging wake
Happy haunts materialize
And begin to vocalize
Grim grinning ghosts come out to socialize

Don't close your eyes
And don't try to hide
There's a silly spook sitting by your side
Shrouded in a daft disguise
They pretend to terrorize
Grim grinning ghosts come out to socialize

As the moon hangs high o'er the dead oak tree Spooks arrive for a midnight spree Creepy creeps with eerie eyes Start to shriek and harmonize Grim grinning ghosts come out to socialize

When you hear the knell of a requiem bell Weird glows gleam where the spirits dwell Restless bones with eerie eyes Rising spooks of every size Grim grinning ghosts come out to socialize
