

# I'm Sorry

Los Lobos

I'm sorry  
Oh, I'm sorry  
Oh baby, I'm sorry  
For the things I said to you

You know I love you  
You know I care  
With you, my new heart I want to share  
Darling I need you  
With all your heart and soul  
To know that I want you  
And I'll never let you go  
But forgive me  
Please forgive me  
Please forgive me  
For I knew not what I was sayin'

Come on little baby  
Come on darling  
Give me another chance  
To make up on my wrong  
You know that I love you  
You know I'll put nobody else above you  
Come on, come on  
Say that you'll love me

I'm sorry  
Oh yes I'm sorry  
Oh I'm sorry  
For the things I said to you
