I gave you my life but now you running around is there any ... in this club that we found An eye for an eye a tooth for a tooth a savage revenge day was a-smooth

I've gone seen the gypsy had my cards read and she said: you gotta watch you stare every night and every day I search for the answer I saw ...

You got me ... down on the ground you maybe love you but I ...

You gotta watch you stare every night and every day I search for the answer I saw ...

You got my baby down on my knee you maybe love you but you ... please I gave you my life but now you running around is there any ... in this club that we found
