

A Million Miles

Lostprophets

I hear you screaming but I know that you don't mean it and its
All gone wrong now
I get the feeling that its gone and its the reason that I
Feel so dark now
Too much inside, too much in life
Define your point of view
I know your leaving, though I think that my times fleeting but
yet
you don't see it
5, 4, 3, 2, 1

Gone, once you shone, I move on
though I still find time to hide
It's all buried deep inside, so it
Looks like you've found a way to reach my heart
And take it all back to the start of this (though I'm)
A million miles from home

Maybe your reasons, keep on changing through the seasons
Only time could tell now
Don't stem the bleeding, cause I m sure it has some meaning sti
ll you
Feel so dark now
Too much inside, too much in life
Define your point of view
Are you still leaving, maybe you should start believing but sti
ll
You don't see it
5, 4, 3, 2, 1

Gone, once you shone, I move on
though I still find time to hide
It's all buried deep inside, so it
Looks like you've found a way to reach my heart
And take it all back to the start of this (though I'm)
A million miles from home

A million miles from home
