

Where We Belong

Lostprophets

I'll Take These Storms Away
Start A Brand New Story
I'll Make It Through Each Day
Singing Death Or Glory
Lord Won't Answer Me
I Won't Let It Bring Me Down

I Know These Times Are Gray that I'm Living Under
I Know I'll Be Ok With The Rain Or Thunder
I Hear It Calling Me
I Will March Into The Sound

I Just Get The Feeling
You're Holding Me Down
And The Answers Needed
I Guess There Being Smothered By The Sounds
Of All This Emotion And All Of This Hate

Still I Keep Searching For Something To Put My Faith In
To Find My Place So I Keep Singing

I'll Take These Storms Away
Start A Brand New Story
I'll Make It Through Each Day
Singing Death Or Glory
Lord Won't Answer Me
I Won't Let It Bring Me Down

Hold On Hold On
We'll Move Along
Where We Belong
Where We Belong
My Heart My Soul

I Don't Need A Vision
I Like To Embrace
And I Don't Need False Promises, Hopes And Wishes
To Find My Place So I Keep Singing

I'll Take These Storms Away
Start A Brand New Story
I'll Make It Through Each Day
Singing Death Or Glory
Lord Won't Answer Me
I Won't Let It Bring Me Down

Where We Belong
Where We Belong
My Heart My Soul
We Stand Alone

Hold On Hold On
Where We Belong
My Heart My Soul
We Stand Alone

Hold On Hold On

Where We Belong
My Heart My Soul
We Stand Alone

Hold On Hold On
Where We Belong
My Heart My Soul
