

# Lucky Punch

Lou Bega

Time is running and time is right  
Time is up all in the sight  
Time is ticking day and night  
Fairaiyo

Time is what we never have  
What we possess to the very last breath  
To keep your balance and keep your path  
Fairaiyo

All you need a lucky punch  
Go kick it! Day by day we rule  
All you need a lucky punch  
Go kick it!  
Fairaiyo

All you need a lucky punch  
Go kick it! It's time to say hello  
All you need a lucky punch  
Go kick it!  
Fairaiyo

Walk me over and walk me tight  
Watch your step and everything is alright  
Standing tall is just the way we fight  
(Fairaiyo)

Light its self is the wake up call  
All for one and one for all  
Do not forget to pass the ball  
Fairaiyo

All you need a lucky punch  
Go kick it! Day by day we rule  
All you need a lucky punch  
Go kick it!  
Fairaiyo

All you need a lucky punch  
Go kick it! It's time to say hello  
All you need a lucky punch  
Go kick it!  
Fairaiyo

All you need a lucky punch  
Go kick it! Day by day we rule  
All you need a lucky punch  
Go kick it!  
Fairaiyo

All you need a lucky punch  
Go kick it! It's time to say hello  
All you need a lucky punch  
Go kick it!
