

# You Are My Sunshine

Lou Bega

You are the reason  
Why everything I feel, feels so right  
You are my sunshine  
Everyday baby everyday  
You are my sunshine  
You chase all the clouds away

You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You chase all the clouds away  
You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You make the sun just shine for me

You are the reason, the reason, the reason  
Why everything I feel, feels so right  
Everybody loves your smile  
Oh baby I can feel you like the sunlight just like the sunlight  
We had a long way to go, my beauty  
And you, you were always by my side  
You had no doubt that you and me could work it out  
Everything can happen when two hearts collide

You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You chase all the clouds away  
You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You make the sun just shine for me

You are the reason the reason the reason  
Why everything around me shines so bright  
I wish everybody had someone  
Someone like you by his side by his side  
You had no doubt that you and me could work it out  
Everything can happen when two hearts collide

You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You chase all the clouds away  
You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You make the sun just shine for me

You are my sunshine  
You are my sunshine  
You are my sunshine

Yeah baby this is exactly how I feel about you  
Day in, day out  
'Cause you make my life complete

So complete  
You're my sunshine  
You make the sunshine everyday  
You are my sunshine  
Sunshine

You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You chase all the clouds away  
You are my sunshine  
You make the sunshine everyday  
You are my sunshine  
You make the sun just shine for me

You are my sunshine  
My sunshine, baby you're my sunshine  
You are my sunshine  
My sunshine, baby you're my sunshine  
Everyday, everyday, every single day  
You are my sunshine  
You make the sun just shine for me

Even if it rains, you are my sunshine  
My sunshine, you are my sunshine, sunshine, sunshine
