

Beyond The Blue Horizon

Lou Christie

Beyond the blue horizon
Waits a beautiful day
Goodbye to things that bore me
Joy is waiting for me

I see a new horizon
My life has only begun
Beyond the blue da-dum, dee-dum

Beyond the blue horizon
Waits a beautiful day
Goodbye to things that bore me
Joy is waiting for me

I see a new horizon
My life has only begun
Beyond the blue horizon
Lies a rising sun

Beyond the blue horizon
Waits the beautiful day
Goodbye to things that bore me
Joy is waiting for me

I see a new horizon
My life has only begun
Beyond the blue horizon
Lies a rising sun

Beyond the blue horizon
Lies a rising sun

Beyond the blue horizon
Waits a beautiful day
Da-da, bum, da, bum
Joy is waiting for me

I see a new horizon
