

# Big Time

Lou Christie

CHORUS

Big time (big, big time)  
I'm gonna make it to the  
Big time (big, big time)  
I'm gonna make it  
To the big time  
All for you, baby  
Just for you, baby

I'm leaving the gang on the corner  
And leaving my baby behind  
But only for a short time  
Only for a short time

And I won't stop  
Til I make it to the top  
You'll walk beside me  
And become society

repeat CHORUS2X

I won't go home til I make it  
And I'll be knocking at your door  
But in the scene, we'll be there  
All the small time we'll just bear

And I won't stop  
Til I make it to the top  
My promise to you  
Will live on forever

repeat CHORUS 2X

I'm gonna make it  
To the big time...
