Rhapsody In The Rain

Lou Christie

Baby the raindrops play for me A lonely rhapsody 'cause on our first date We were makin' out in the rain And in this car our love went much too far It was exciting as thunder Tonight I wonder where you are The windshield wipers seemed to say "Together - together - together" And now they are saying "Oh, ne...ver, ne...ver" Ooh-wee, ooh-wee, baby Rhapsody in the rain Rhapsody in the rain Angels keep cryin' for me (don't... stop) Angels keep cryin' for me (don't... stop) Baby, I'm parked outside your door Remember makin' love, makin' love, we were makin' love in the s torm (sha-la-la-la la-la) And then a flash from above Lightning - lightning - lightning Just li-ike our love

Yesterday, bring back yesterday

It was exciting, exciting Ooh-wee, ooh-wee, baby
