I'll Come Running

Lou Gramm

All alone in a sleepless night, hearing voices in the dark
I can feel every move you make, the beating of your heart
Anything you want from me, anywhere that you are, I will be
Any time you call out my name, I will know, I will know, I will
 know
Chorus:
If you need me, I'll come running
If you want me, I'll come running now
If you love me, I will run, run, run, run, right away
I'll reach out and end the storm that tears your world apart
I'll reach in and break the chain of pain around your heart
I know how it feels to be lost and found
Won't let nobody, nothing tear you down
Just think of me, I'll be around
I'll be around, I'll be around, I'll be around
And if you need me, I'll come running
If you want me, I'll come running
If you love me, I will run, run, run, run, right away
If you need me, I'll come running
If you want me, I'm running now
If you love me, I will run, run, run, run, run, run, right away
I will run, right away, I will run, right away, oh...
Kingdoms rise, Kingdoms fall, our love will conquer all
Either way, right or wrong, love goes on, love goes on
If you need me, I'll come running
If you want me, I'll come running now
And if you if you love me, I will run, run, run, run, run, righ
t away
