

## Ready Or Not

Lou Gramm

Here I come ready or not  
Here I come ready to go  
Here I come ready or not  
Here I come ready to go

Something that you said  
Goes 'round my head  
You know I'm gonna ride tonight  
You look at me  
But all I want to see  
Is you tonight  
Nothing can stop me now  
Nothing can stop me now  
Just a question of time  
Nothing can stop me now  
Nothing can stop me now  
Now that I've made up my mind

Here I come ready or not  
Here I come ready to go  
Here I come ready or not  
Here I come ready to go

Girl you got the look  
As if you wrote the book  
But I don't understand  
How one girl can be so sure  
You've got me in the palm of your hand  
Nothing can stop me now  
Nothing can stop me now  
Just a question of time  
Nothing can stop me now  
Nothing can stop me now  
Now that I've made up my mind

Here I come ready or not  
Here I come ready to go  
Here I come ready or not  
Here I come ready to go
