

# I Love You, Yes I Do

Lou Rawls

I love you, yes I do,  
I want you, yes I do,  
I know you know it's true  
From the way I look at you.

You love me, yes you do,  
You need me, I need you;  
That's why I'm never blue  
Since I first laid eyes on you.

I guess you knew it from the start,  
From the day you took my heart,  
You're the one boy I'll always admire.  
Darling, you're my guiding star,  
I must be where you are,  
You set my soul on fire!

I miss you, yes I do,  
Must hug and kiss you too,  
I'm yours my whole life through!  
I love you, yes I do.

I guess you knew it from the start,  
From the day you took my heart,  
You're the one boy I'll always admire.  
Darling, you're my guiding star,  
I must be where you are,  
You set my soul on fire!

I miss you, yes I do,  
Must hug and kiss you too,  
I'm yours my whole life through!  
I love you, yes I do.
