

# Nobody But Me

Lou Rawls

I've got no chauffeur to chauffeur me  
I've got no servant to serve my tea  
But I'm as happy as a man can be  
Because I've got a girl who loves nobody but me

I don't own stock in no stock exchange  
I don't hold claim to no real estate  
But I'm not living my life in vain  
Because I've got a girl who loves nobody but me

And every time my sweetie goes walking  
Down some sunny street  
She always sets the whole town to talking  
Cause she's a genuine Athena from her head down to her feet

I don't rank high in society  
I don't possess a PhD  
But I'm all set confident-you-ally  
Because I've got a girl who loves nobody but me, now
