

## On A Clear Day (You Can See Forever)

Lou Rawls

On a clear day, rise and look around you  
And you'll see who you are  
On a clear day how it will astound you  
That the glow of your being outshines every star

You'll feel part of every mountain, sea, and shore  
You can hear from far and near a world  
you've never heard before

And on a clear day, on that clear day  
You can see forever and ever more

You can hear from far and near a world  
you've never heard before

And on that clear day, on that clear day  
You can see forever and ever and ever  
and ever and ever and evermore!
