

Pure Imagination

Lou Rawls

Hold your breath, make a wish
Now count to three

Come with me and you'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination
We'll begin with a spin
Trav'ling in a world of my creation
What we'll see will defy explanation

If you wanna view paradise
Simply look around and view it
Anything you want we'll do it
You wanna change the world
There's nothing to it

There is no life I know
To compare with pure imagination
Living there, you'll be free
If you truly want to be

Come on c'mon go with me
You wanna see some bunny
Have a lot of fun c'mon let's go
Let's try our own imagination
See what we can go away from today
Alright? Hey

Take me by the hand
Let us run from the little
Little little
Little, little little funny land
Come on c'mon
C'mon let's go to the little land
