Something

Lou Rawls

Something in the way she moves Attracts me like no other lover Something in the way she woos me

I don't want to leave her now You know I believe and how

Somewhere in her smile she knows That I don't need no other lover Something in her style that shows me

I don't want to leave her now You know I believe and how

You're asking me will my love grow I don't know, I don't know
You stick around now it may show
I don't know, I don't know

Something in the way she knows And all i have to do is think of her Something in the things she shows me

I don't want to leave her now You know I believe and how
