Your Good Thing (Is About To End)

Lou Rawls

I don't have to beg you to hold me Cause somebody else will You don't have to love me when I want it Cause somebody else will

Your so called friends say you don't need it When all the time they're trying to get it Look out

Your good thing
Is about to come to an end
Your real good thing
Is about to come to an end

All those nights I watched the four walls
I did not have to watch them all alone
When other men said they wanted me
I didn't have to tell them I was your very own

You have all the love that I've got baby Even ice melts to water and gets hot Look out

Your good thing
Is about to come to an end
Your real good thing
Is about to end

Gettin' myself back together
Is gonna be a big problem I know
But when the right man says he wants me
You can bet I won't say no

Cause your real good thing Is about to end Your real, your good thing Your good thing, baby

Your good thing Your good thing Is about to come to an end Yeah, yeah, yeah

Your good thing Your good thing Your good thing, baby
